

FEMALE BOARD POOL

Invitation for FidAR members to join our a free-of-charge Interactive Workshop Day

Dear FidAR Members,

As international Female Board Pool Initiative (www.femaleboardpool.eu) in Germany, Austria, Denmark and the BeNeLux countries, our mission is to assist companies in transmitting suitable board candidates' profiles and to accompany women in their search process.

As a "teaser" to our Female Board Pool membership and seminar offer, we are pleased **to invite FidAR members to a virtual and free-of-charge Interactive Workshop Day on Saturday April 24th, 2021 (in English language – only a few places available) or on Saturday May 15th, 2021 (in German language)** with the following agenda:

08h30-10h30: Introduction (details see below)
10h45-12h45: Cross-communication tools (details see below)
13h30-15h30: Self PR/Self Marketing (details see below)
15h45-17h45: Selection interviews/first board meetings (details see below).

The INTERACTIVE WORKSHOP I - Introduction session: Female Board Pool Germany matching process, soft and hard competences for boards in general, next steps for your strategic action plan.

The INTERACTIVE WORKSHOP II - Obstacles in Board communication, cross-culture and gender diversity etc.

The INTERACTIVE WORKSHOP III - What women can do to promote themselves for Board functions: establish a structured strategic action plan for Self-PR and Self Marketing and Board remuneration

The INTERACTIVE WORKSHOP IV – The selection interviews before and the first meetings after joining a Board – how to get prepared and ready for the new role.

This Interactive Workshop Day is intended for those who are **READY AND AVAILABLE** for **BOARD MANDATES** now and wish to develop their specific competences for Board of director's functions.

The number of participants per workshop day is limited and please note that **registrations will be handled on a "first-come-first-serve" basis to info@femaleboardpool.eu**. For group dynamic reasons please join all workshops on that date.

With best regards,

Rita Knott
